

## Paleolithic Revolution beta

Paleo Entertainment has released Paleolithic revolution Beta 3. A HL2 mod set in the paleolithic era.

Beta v3 Released!

Beta 0.03 Fixes:

1. Fixed scoreboard to include rounds won by Cro-Magnon and Neandertals
2. Fixed scoreboard to segregate flag captures from points column
3. Fixed scoreboard to include spectator (human) team
4. Changed text from "points" to "kills" on the scoreboard
5. After a round is won, instead of reloading the map, the map is reset
6. Added kills by "rocks" and added death notice icon of killer, victim, and rock icon
7. Integrated team selection screen into keyboard using comma
8. Defaulted keyboard functions "y" - chat, "t" - team chat, and "k" - voice communication
9. Fixed bug whereby more capture point icons display than are actually available
